 - Facilities staff want to increase fees because Lakeville doesn't charge as much as other schools
 - Lakeville wants to lessen financial burden on families
 - Currently, we have no return busses
 - If fees are raised, where will that money go?
 - Fee increase would price us out of tournaments and shift money away from Boosters

 - Covid bussing rules limit to 50 kids
 - Freshman bus always provided
 - No fan restrictions as of now
 - Would like to have kids stay for other games

 - \$3,700 awarded in 2021
 - Cannot use funds to pay coach's salaries
 - \$1,200 tournament budget, \$2,500 in capital (uniforms)

 - 2021: 164 Camp participants
 - 2020: 126 Camp participants
 - 2019: 161 Camp participants
 - Penny Starkey suggested getting two courts for private lessons versus camps
 - Coach W suggested signing up thru boosters and take a cut of lessons

- Kari would possibly work the camps next summer and do lessons again
- Build lessons into gym request for next year; ask for two courts next summer
