

Lakeville South Volleyball 2022 Retreat Service Project

Saturday, August 20th

Lakeville South Volleyball will **DO THE WORK** to help the greater community.

We have a strong tradition of giving back at South Volleyball. This year the 501c3 non-profit charity Hart House was chosen for our service project. **Please consider collecting new/unopened toiletries, women's clothing and/or making a donation to support Hart House as part of the Varsity Captain's Team Challenge that will be collected on Saturday during the retreat.** Clothing items can be gently used or new, all sizes needed. Everyone is encouraged to ask neighbors, friends, and family for items to donate. You can begin collecting now!

All items should be brought in by the player Saturday morning to be counted as part of the team competition.

Requested items include, but not limited to:

Pajamas	Hoodies
Sport bras	Tank tops
Shower shoes/flip flops	Hair binders
Socks	Underwear
Shampoo/conditioner	Lip gloss
Body lotion	Razors

Teams will also create notes of encouragement for the women of Hart House during the retreat on Saturday to send with donated items. Please contact Jen Hertel at hertel6@mediacombb.net or text 612-554-2213 if you have any questions. We thank you for your support!

Our guest speaker, Michelle Presley, joined Missions Inc. Programs in 2013 as the Program Manager for the Hart House transitional housing program for women. Michelle provides oversight over the daily operations of the program. Michelle's background and experience include ten years as a Corrections Officer at the Minnesota Department of Corrections-Shakopee, and various positions including program management at Wayside Family Treatment.

Missions Inc. Programs provide a collaborative community and safe space where people are empowered to heal and transform their lives. Their vision is a world where every person realizes their worth and lives with dignity, free from addiction and violence. Their values are to: Affirm Human Worth, Foster Self-Determination, Value Diversity and Seek Social Justice.

The conversations may be difficult for some. It may include subjects of homelessness and addiction. Please inform Jennifer Wagner at jwagner4ak@gmail.com if you would like us to find another activity for your daughter while Hart House is speaking to our group.
